CLASS ELIGIBILITY

- Novice A Classes are open to dogs who have not completed any title for that particular element, who have not completed a comparable title with another organization, and whose handlers are neither Scent Work judges, nor have ever worked as professional detection dog handlers.
- Novice B Classes are open to all dogs.
- Dogs that have previously earned the same or higher level AKC Scent Work titles may enter lower-level classes.
- Dogs can enter up to two (2) difficulty levels in each element, in each trial. If a dog is entered in more than two difficulty levels for a single element in a single trial, the score for the lowest level entered will be disallowed, regardless of whether the dog ran or qualified in all levels. Dogs may only enter classes for which they are eligible, according to the above guidelines. Dogs may only enter a class once in each event. A class is defined as a particular difficulty level within a particular element. For example, a dog may run in both Novice and Advanced Interior in the same trial but may not run in Novice Interior twice in the same trial.

DOG ELIGIBLE TO ENTER

This trial is open to all dogs SIX (6) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number or approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete.

Condition of the Dog. Dogs with physical challenges (including amputees) are eligible to participate provided that, in the opinion of the judge, they display no signs of physical discomfort and can safely complete the search. Dogs with bandages, sutures, or visible wounds are not eligible. Deaf dogs and blind dogs are allowed to enter. Dogs that are both deaf and blind are able to participate so long as the handler is in control of the dog at all times, the dog can complete the requirements of the class, and the dog does not appear to be under undue stress in the opinion of the judge.

High in Trial at each level at each trial will be awarded a rosette.

HIGH IN TRIAL

Only teams who participate in the same difficulty level in all elements offered (Container, Interior, Exterior, Buried) and qualify in each are eligible to win **High in Trial**. One High in Trial winner is chosen per difficulty level; there is no separate **High in Trial** for the Novice A and Novice B sections. The **High in Trial** is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win. The **High in Trial** award is not recorded by the AKC. Teams winning High in Trial will earn rosette.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

At the judges' discretion the **Handler's Briefing** may take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there is an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The American Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the American Kennel Club or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times. Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

Please note: All handlers are expected to show respectful behavior towards trial judges and workers. Any comments or complaints are to be addressed directly with the trial chairperson.

ADDITIONAL SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.
